Bond Election To Be Called On 1915 Debt

Steps to call an election on a bond issue to pay off 1915 act bonds and defaults will be taken next Monday by the city council, it was decided Monday night at a session running to midnight.

The bond issue, as previously discussed, may run up to $400,000.

Plans of the council call for an election to be held as quickly as possible so that the public may express itself on the question before the 1935-36 tax rate is fixed.

J. C. Youngberg of Stone & Youngberg, San Francisco bond firm, and V. N. Lundy, of Davis, Skaggs & Co., San Francisco, outlined prospective plans for the council's consideration last night.

The board, after an executive session, decided in favor of Youngberg's plan for the general obligation bond issue.

SMALL LEVY NEEDED

Youngberg informed the council of a plan which might require about a 7-cent levy on the new tax rate as against the prospective 20-cent to 30-cent special levy previously considered necessary.

JURY FOREMAN REPLACED

Illness of L. J. Aubert, retired banker living in San Mateo, has caused his replacement temporarily as federal grand jury foreman by V. H. Owen, vice president of the California Packing Corporation.

BOARD VOTES $77,000 TO LIVESTOCK PROJECT AND COLMA DRAINAGE

$50,000 to Be Raised By Aug. 1 on Show Or Fund Lost

RELIEF CUT SEEN

Colma Drainage Work Given $27,000 Sum By Supervisors

Culminating many days of discussion, San Mateo county's board of supervisors today voted $50,000 financial support to the coming livestock exposition and $27,000 towards the Colma and Baden creek drainage project.

The pledge to the world's fair was made upon three conditions. It will be paid:

1. If it can be raised before August 1 by drawing from other available funds.

2. If it can be raised within the limits set by the Riley-Stewart law which holds expenditures to within 5 per cent of the previous year's expenses.

3. If labor for the livestock building in the north end of the county is drawn so far as the supply is available from San Mateo county.

MAY TAKE TWO YEARS

Should it not be possible to get the money before the new budget is adopted, the motion as put today by Supervisor Albert Witt, seconded by Supervisor Walter High and passed unanimously would be ineffective, and other means of making the payment would have to be found.

From discussion at the meeting, it was evident that if the $50,000 couldn't be raised this year, the board would be in favor of contributing that amount over a period of two years.

San Mateo county's participation financially in the exposition was given because the agricultural exhibits will be on property in the north end of this county, and it is believed about a third of the visitors to the fair will attend the livestock show. Buildings which will house the exhibit will be permanent, with plans being made for an annual exhibit in the structures. Eventually, it is believed, that district with South San Francisco will become the "livestock center" of the west.

Decision to appropriate the funds for the Colma creek project was also unanimous after Supervisor Witt put the motion and Supervisor High voiced the second.

It was pointed out by Witt that in both the appropriations made by the board, relief funds could be curtailed by a similar amount since labor on the two projects will be drawn from relief rolls.

To the $27,000 voted towards the creek work will be added $3000 by South San Francisco and $100,000 by the Public Works Administration, according to present plans. Since it isn't known definitely exactly how much will be required to make repairs necessary on the creek canal, if the county's entire $27,000 is not needed, it will be diverted to other relief projects, it was agreed.

LAST CHANCE FOR AID

An appeal for the funds had been made by City Engineer Robert Klassen of South San Francisco, Attorney J. W. Coleberd and Supervisor Witt, who declared it was an "obligation we owe." He pointed out that the chances for securing federal funds are now at their "peak," and that if the work were not done this year not only would the county lose its opportunity to secure federal aid on the work but would also be liable for further damages in case of heavy rains again this winter. From last winter claims totaling $13,000 have been made on the board by farmers whose crops were damaged.

Decision to have South San Francisco contribute a tenth of the cost came about when it was shown that 531 acres of the water shed lie within that city while 5932 acres are outside the limits of South San Francisco.

RELIEF WARNING GIVEN

At the start of the adjourned session, a communication from Mrs. Earl F. Treadwell, Hillsborough socialite and state relief commission secretary who yesterday was also named state director of the National Youth Administration, was read and filed. It warned the board that it would have to provide for cases to be added to relief rolls in the counties as the result of the new federal program which will not allow U S. government money to be used for unemployables.

ALL UNEMPLOYED MUST REGISTER

Workers Seeking Aid Of WPA Program Must Sign Roll

All unemployed workers seeking positions under the new Works Progress Administration (WPA) must register at once with the National Re-employment Service, Melville Fuller, manager, reported today.

Registrations will be taken at the main office, 211 First avenue, San Mateo.

Special days for registration have been set aside for those who do not reach the San Mateo office before that time. These dates are.

Half Moon Bay and Vicinity—July 22, 7:30 p.m. Rgistrations will be taken at the American Legion Hall.

Redwood City and Vicinity—July 24, 7:30 p.m. Registers at the SERA office, 1109 Middlefield road.

All parties registered on relief must re-register with the re-employment service. All benefits and assistance derived from SERA will be of no avail if this new registration is not taken out with the employment bureau, Fuller announces.

Fuller has succeeded Miram H Dwan as manager of the San Mateo office. Mrs. Dwan remains as an assistant in the office.

Fire in Car Seat Taken to Firehouse

SAN MATEO, July 16—Fire went to the firemen here.

The "itinerant blaze" was discovered by Fred Borchers, 36, of San Mateo when he was driving through the city and smoke started pouring up through the upholstery of the front seat.

Fox Shoppe Finds Business Is Better

Ernest Fox, owner of the famous Fox Shoppe, the only restaurant known with an automatic toaster at each table, reports that his business has greatly increased in the last few weeks.

Fox says that in a week now he does more business than he did in a month last year.

WEATHER PERFECT HERE FOR ECLIPSE

Long Totality Period Witnessed By Many On Peninsula

One of nature's super-spectacles—the first complete eclipse of the moon since 1927 and one possessing the longest period of totality in 50 years—was clearly visible to all peninsula residents Monday.

The eclipse was due to the passage of the earth between the moon and the sun. As the moon passed into the penumbra or outer shadow, at about 7:12 p. m., it took on a slightly reddish tinge as a result of the sun's rays refracting through the earth's atmosphere.

The total eclipse began at 8:09 and lasted until 9:40. The moon was not completely freed from the earth's shadow until 11:43 p. m.

Observers on all but the northernmost point of the Western Hemisphere, nearly all of Africa, southwestern Europe, the Atlantic and eastern Pacific were able to watch the celestial side-show.

Screen Star Gets Lesson On Octane Rating

Lona Andre, Columbia player in "Gobs of Trouble," learns from G. F. Olsen, manager of process laboratories, General Petroleum Corporation, that—"if a gasoline is low in octane rating, it pounds like a hammer, but, if the octane rating is high it pushes with steady force, just like you push a door."

Fireman Hurt, $2,000 Damage Done in Blaze

Stubborn Fire Fought Hour, 20 Minutes; Cafe Periled

Loss of property valued at $2,000 and injury to a fireman resulted from one of the year's most disastrous fires which Tuesday destroyed an automobile and a new two-story garage and did extensive damage to the rear of the highway restaurant and apartment house owned by George Fabbro in North Atherton.

Menlo Park firemen fought the blaze for an hour and 20 minutes, saving the $12,000 apartment building from the complete destruction that threatened.

Following the fire Elmer F. Hara, assistant chief, was treated for painful burns on his right hand, the second time in recent weeks that he has been burned. He has just recovered from a burn on his eye.

Fire Chief Thomas Cuff said he believed a short-circuit in the wiring system of Barney B. Fahey's automobile, parked in the double garage, started the blaze.

So intense was the heat from the garage that the main building 50 feet away caught fire.

Motorists who stopped to see the spectacular scene hindered the work of firefighters.

"We were terribly handicapped," Cuff said. "We had no difficulty in getting to the fire through the crowd, but if it had been necessary to get out again, we could not have done so."

Roy Hubbard, Atherton police officer who arrived early on the scene, prevented an even worse jam through direction of traffic.

Delay in answering the alarm was due to necessity of relaying the call from the Redwood City fire department which was first notified of the blaze at 8:45 o'clock.

The buildings were reported insured.

CITY WATER RIGHT CURTAILED IN SUIT

Ranch Given Damages For Supply Loss In First Suit

In the first of 17 suits involving water rights, Superior Judge Raglan Tuttle of Nevada county Monday curtailed San Francisco's rights to Hetch Hetchy water, with his decision being in the main favorable to a ranch complaining the city had damaged its water supply.

The court held the city must compensate the owners of El Solyo ranch, on the San Joaquin river, below the mouth of the Tuolumne, and it also limited the amount of water the city could store as a right regardless of riparian rights of ranches.

The ranch owners contended the city's diversion of Hetch-Hetchy water reduced the flow of San Joaquin river, and asked for an injunction against impounding of water, or damages for the alleged loss.

The court denied an injunction but held the owners were entitled to damages, amount of which is to be settled either by negotiation or by further court action.

Death Closes Police Career Of 'Joe' Meeks

Deputy Sheriff Dies At Atherton Home At Age of 73

Ending a long, colorful career as peace officer, city official, and business man, Joseph B. Meeks, 73, deputy sheriff here since 1922 and court bailiff through a number of famous cases, died at 8:15 p. m. Monday night at his home on San Benito road, Atherton, after a serious illness.

At the bedside when his six weeks of suffering were ended were his wife, Mrs. Mary Meeks, to whom he had been married 28 years, and his two stepsons, Warren and Frank Butman.

CAME WEST IN 1904

Born June 5, 1862, Mr. Meeks had lived for a time in Macon, Ga. While still a young man he moved to Providence, R. I., and there began his career as a peace officer, serving for a time as policeman there.

In 1904 Mr. Meeks brought his family to San Francisco, where for a number of years he was engaged in the electrical sign business.

It was in 1922 while he was serving as a councilman at Daly City, where he had moved, that he was named a deputy sheriff by the then Sheriff H. W. Lampkin. With Deputy P. J. Larrecou, Undersheriff T. C. ("Brick") McGovern and Sheriff Lampkin, Meeks became known as one of the "four horsemen."

LAST OF NOTED FOUR

He was the last of the quartet, the other three meeting violent deaths. Lampkin, who had been a justice of the peace here for 16 years before being elected sheriff, was killed in an automobile accident on Middlefield road; McGovern, brother of Dr. J. C. McGovern, former coroner, died of automobile injuries in 1926 after he had been named as sheriff succeeding Lampkin, and Larrecou was killed in a gun battle in 1927 in which he killed his adversary, a holdup man, before dying.

Death of Meeks was indirectly attributed to an automobile accident in which he was involved in 1930 while taking an insane woman to the Napa hospital. In the machine at the time was Mrs. Dolly Granger, matron at the jail, who died from her injuries.

For many years Meeks was given the task of transporting insane people to hospitals because of his ability to deal with the mental cases.

SERVED LONG AS BAILIFF

His real fame came, however, in conducting court as bailiff. He was known during former Judge Buck's terms as the bailiff who insisted on women removing their hats in court. It is related that he once asked Mrs. Maurice T. Dooling Jr., wife of the judge who often sits here, to remove her hat, and that Judge Dooling, then on the bench, became so amused he had to recess court.

Mr. Meeks' familiar "come to order please" will long be remembered by those who have been in his courtroom.

He served as bailiff during the lengthy Flood litigation.

Another incident for which Mr. Meeks will be remembered is the shooting to death by Deputy Cornelius Callahan, who was accompanied by Meeks, of "Indian John," crazy itinerant preacher, whom they sought to arrest in San Mateo in 1929.

Mr. Meeks, active on the job until his last illness, was a member of the Redwood City lodge No. 168, Free and Accepted Masons; Islam Temple, A. A. O. N. M. S.; Peninsula Shrine Club; Peninsula Bodies Scottish Rite; Sequoia Chapter No. 203, Order of the Eastern Star, and a former member of the San Mateo Elks lodge.

The Rummage Store Reports Trade Good

Tse Rummage Store, located at corner Middlefield road and Chestnut street, Redwood City, has been progressing rapidly since its opening a few months ago. The stock has increased so as to contain almost any household need. Much of the business of the company is due to the ads running in the Classified Section of the Tribune, it is reported. The business includes all exchanges, buying, selling, and trading.

WIDOW GETS ESTATE

All the community property owned by Gustav S. Schwartz when he died June 4 at his Park Lane home in Atherton was left to his wife, Rosemary, it was revealed today when she petitioned for letters of administration in the estate. Value of the property was not divulged.

BENNER DEFENDS CLAPP SELECTION

County Hospital Head Answers Rushton Criticism

Declaring that the appointment of E. W. Clapp as business manager of the Community Hospital "marks the turning point in our community when a man by supreme fitness instead of by political preference is appointed to an office," Dr. Alan Benner, superintendent of the hospital, today replied to the protest of Norman Rushton of Burlingame that Mr. Clapp be removed.

Dr. Benner's statement follows:

"On Monday the supervisors of this county were addressed by a gentleman criticizing the fact that the business manager of the county hospital was holding a remunerative position, although he was receiving a pension for 40 years of service with one of our corporations of this state.

"Is seems all the more remarkable that this gentleman saw fit to criticize Mr. Clapp in the face of the fact that he has to our knowledge never visited our Community Hospital, and knows nothing of its activities or problems. This gentleman also, we are informed, is a former British subject by virtue of which he should be very familiar with the personnel occupying public positions in England. This personnel is made up of intelligent and honest men who for the most part are financially independent. He knows that these men consider it an honor and a privilege to serve their fellow countrymen. These men by very virtue of their private financial freedom are above any action which they might be tempted to perform for the sake of saving their position or salary.

"Mr. Clapp as business manager at the Community Hospital is in the same category as these men. He is so placed that he does not fear loss of position or salary. He can therefore turn his splendid executive ability to the service of the sick at the hospital with absolute fearless honesty and efficiency. There is no one in our community who by threat of taking his position away from him can make him swerve from his high purpose in running that hospital in the most economical way and still maintain the most excellent, kindly service to the sick. It is great good fortune for this community that Mr. Kellogg and Dr. Gans in the face of strong opposition have seen fit to appoint one of our private citizens to such a position. It marks the turning point in our community when a man by supreme fitness instead of by political preference is appointed to an office.

"Will all gentlemen in the future who desire to criticize our community Hospital or its personnel please come first to us, and acquaint themselves with our activities, our concept of service, and our results?"

Surprise Guilty Plea Ends Court Session

While a jury, lawyers and court were prepared to give her a jury trial, which she had demanded, Mrs. Katherine Hobbs Appleton on Wednesday entered a surprise plea of guilty to driving while intoxicated, a charge for which she had been arrested here two months ago by Redwood City police officers.

At the same time, however, Mrs. Appleton declared she had "never taken a drink in my life."

She asked for probation. Her case was referred to Probation Officer Francis Robinson, who will report to Judge Cotton. Sentence will be pronounced July 31 at 9:45 a.m.

HERE TWO DAYS

Virginia Bruce and Robert Taylor in "Times Square Lady," playing at the Redwood Theatre Sunday and Monday. On the same bill will be "Bachelor of Arts," starring Tom Brown.

WATER DIRECTORS QUIT BEACH POST

Near Fight Brought To End as D. A.'s Idea Adopted

Strife in one small San Mateo county town was ended Tuesday night, with the assistance of District Attorney Gilbert Ferrell, while internal friction in another is scheduled to be ironed out.

At Salada Beach, following a hectic two-hour session that threatened for a time to turn into a "free-for-all," according to reports, two of the directors of the water district resigned; the third promised to quit next week; two new ones were appointed and another will be named upon resignation of the third director.

Isaac H. Cory was the first to resign when it became evident that resignations were the only means of satisfying the 75 or so citizens gathered at the meeting.

Upon receiving Cary's resignation, the remaining directors, B. B. Smith and L. B. Belsar, named George Pappas to his place. Pappas had previously been elected to the board, but had failed to qualify. His appointment met with approval of those present.

ONE MORE DUE

When Pappas had been seated, Director Belsar handed in his resignation, and the remaining two directors selected Ray Higgins, leader of the 18 residents who last week aired problems of the beach before District Attorney Ferrell.

It was then agreed in the unprecedented arrangement that Director Smith would not quit until the next meeting.

Resignation of Secretary-Treasurer Helen Van Hook was also presented, but she was prevailed upon to stay in office until all three of the new directors could take office. At that time it is believed likely Attorney Durward Herndon will be replaced, and probably Maintenance Engineer Louis Burglar, though this is not certain.

APPROVED BY ALL

The series of resignations and appointments came as a result of a suggestion by District Attorney Ferrell, it was reported. When he saw that apparently discussion was going to get the group nowhere, he suggested the move, which met approval of all those present, including the directors.

The crucial situation in the coast city had arisen when residents of Brighton Beach complained they were unable to get water to their homes, and charged that the three directors were not administering their duties efficiently.

A recall petition circulated to remove them from office was ignored by the three when they were asked to call an election, whereupon new petitions were circulated, it was reported.

Campers Return From 'Y' Center In County Park

One hundred thirty-five of the 165 campers who enjoyed the past two weeks at Camp Yu-Mi-Ci-A, the boys' camp of the Young Men's Christian Association, returned to their homes late Sunday. Thirty-five new boys enrolled, bringing the total for the third two-week period between 65 and 70.

Norman Everton of the Presideo branch Y. M. C. A. is the new camp director. R. W. Simcock, camp administrator, will be on hand until the end of the month.

Although the camp was taxed to the limit with boys during the past two weeks, a program which is considered one of the best in the camping history of Yu-Mi-Ci-A was put on.

Dr. Charles C. Gans, San Mateo County Health Executive, in his check up, gave the camp an exceptionally high rating. The health of the boys surpassed any previous year with no boys with serious illness or accidents.

The number of boys served by this camp during the three two-week periods surpasses all previous records for this camp.

Roy H. Hohberger, camp director for the past two weeks, was very appreciative of the high calibre of leaders and personnel which made for the success of the camp.

Lamb Week Now On at Territo's

Lamb Week is being featured at Territo's Super Market beginning today, according to Joseph R. Territo, proprietor of the market, and Frank Territo, manager of the meat department.

One of the largest selections of lamb ever displayed at the market have been secured for this event. All of the meat secured is genuine young Nevada, milk fed lamb and is exceptionally choice stock.

Higher Scale Offered S. F. Gets Protest

Peninsula Living Cost Is Called Equal To Metropolis

Protest to the Works progress Administration (new WPA) on differential in wages to be paid between San Francisco and San Mateo county workers and on low wages offered was voiced by the San Mateo County Board of Supervisors Monday.

The board approved the protest of the Rev. M. R. Power, chairman of the San Mateo County Relief Committee, to Frank Y. McLaughlin, head of state relief administration, that San Mateo county should be considered with San Francisco in payment of the metropolitan wage scale.

$44 MONTHLY PAY

Men taken from Daly City or South San Francisco and placed on projects within the San Francisco metropolitan area would be paid a lower scale for doing the same work because they were San Mateo county residents and residing within a rural classification, Powers pointed out.

Proposed wage scales ranged from $44 to $69 per month for San Mateo county unskilled labor, and from $55 to $94 in San Francisco for the same work. The latter figure in each case increases according to the size of the family.

Chairman Powers pointed out that living expenses on the peninsula were not cheaper than in San Francisco.

CAMBIANO PROTESTS

J. F. Cambiano, union agent, supported the protest of Chairman Powers and urged the board to act in behalf of unorganized labor. He called the proposed wages "outrageous." Cambiano said that organized labor would be in a better position to protect its interests.

W. H. Morrissey, Redwood City attorney, in a communication to the board, urged that the $50,000 proposed gift to the San Francisco-San Mateo County Livestock Pavilion be pledged so that the fund could be used in relieving the unemployment situation by putting men to work at once.

The board took no action on Morrissey's request.

Protest of the board on the wage scales was voiced upon motion of Supervisor Albert Witt, Colma, seconded by Supervisor John Poole, Redwood City.

Davies Auto Firm Adds to Sales Force

Davies Auto Company today announces a new policy in Used Car Sales. The company will remain open evenings until 9 o'clock to allow business men to see cars after their business hours. Electric lights are being installed around the buildings to better enable the selection of the many used cars by prospective buyers.

A new salesman has been added to the company in D. R. Sanfreed who has been a Chevrolet representative on the peninsula for two years.

2 More New Homes Will Be Built Here

Construction of two more new homes in Redwood City was assured today with issuance of building permits for their erection by Building Inspector I. C. Drathman. Contractor J. R. Pitsker was granted a permit to build a $6000 six-room home at 836 Arlington road for C. F. Wachsmith. The other house is to be a four-room frame dwelling at 1792 Valota road. The builder is G. Guido. Cost is estimated at $1000.

Fire in Chicken Coop Calls Out Department

Catching fire Tuesday afternoon, a chicken coop in the backyard of a house in which Mr. and Mrs. O. N. Harper live at 225 Oliver street, gave the local department brief exercise. Mrs. Harper, who had no idea how the fire started, said that nothing of value was destroyed. The firemen extinguished the blaze in but a few moments' work.

Shell Refinery Awarded Honor For Safe Record

A million "man-hours" of work without a single disabling accident—that's the fine record for which an official certificate of honor has just been awarded to the Martinez Refinery of Shell Oil Company, according to news received here today by L. H. Hausam, local manager for Shell.

The coveted award, which every big industrial plant is eager to win, is given by the Joseph A. Holmes Safety Association, endowed national organization which works with the United States government in promoting the safety of employees in industry.

S. H. Ash, district engineer of the United States Bureau of Mines, presented the certificate. Executives in attendance included G. H. van Senden, vice president in charge of marketing; D. M. Day, superintendent, and A. H. Calderwood, assistant superintendent of the Martinez refinery.

LACHMANS RECONCILED

Marital difficulties of Dr. A. L. Lachman, Burlingame chiropractor, and his wife, Maude, have been settled, it was learned here when their divorce action was scheduled to be heard before Superior Judge Cotton.

MENLO PARK

Felix McGinnis, vice president of the Southern Pacific, has purchased the Mary Phelan home in San Francisco. Mr. McGinnis is spending the summer at his palatial home at Brockway, Lake Tahoe. The railroad magnate's estate in Menlo Park will be enjoyed as a week-end place for the family.

A large gum tree on the J. D. O'Kane estate toppled and fell last Sunday morning, tearing down several yards of board fence surrounding the cloister of Corpus Christi Monastery. The fence has been replaced. More than 50 years ago the mammoth gum was planted by the late John O'Kane.

Rev. John Smyth, who died in a San Frnacisco hospital following an operation last Saturday, was the assistant pastor here under Father Lyons over 25 years ago. At the time of his death Father Smyth was the pastor of the San Martin Catholic Church. At one time the deceased priest was the pastor of the Mountain View Church. Father Smyth was a learned man and a great scholar. Among the clergy he was considered the ablest priest of this diocese.

The marriage of Miss Mary Burna of Menlo Park and Julian Piazzo of Gilroy will be solemnized at the Church of the Nativity at 4 o'clock Sunday afternoon. Miss Bugna is the beautiful daughter of Mr. and Mrs. C. Bugna, Laurel avenue, Menlo Park. The groom to be is in business at Gilroy, which place will be the home of the young couple.

Mrs. W. H. Weeden; her daughter, Isabelle Weeden Lindquist, and children, Billy and Emma Roberta, went to the Salinas rodeo Thursday.

Mrs. Catherine Derry is spending a few days in La Honda with Mr. and Mrs. Donald Derry.

George Murray, district deputy grand president N. S. G. W., will conduct the installation of officers ceremonies in Redwood City Thursday night. He will be assisted by officers of Menlo parlor.

Installation of officers for Menlo Parlor N. D. G. W. has been postponed to a future date which will be announced after Monday's meeting.

Isabelle Lindquist and Catherine Derry are the delegates who will attend the t8h district meeting of the American Legion Auxiliary in War Memorial Building, San Francisco on Monday night. The purpose of this meeting is to elect the eighth district officers for the ensuing term.

Misses Meta Kugeler, Dora Denot, Ethel French and Clarissa Ross accompanied Isabelle Lindquist to the U. S. Veterans' Hospital Tuesday for the monthly entertainment furnished by Menlo Park A. L. A. unit.

Beginning a new series of card games, St. Joseph's School Mothers' Club at Menlo Park will meet Thursday afternoon at 2 o'clock in the hall of the Church of the Nativity. Hostesses will be Mrs. Charles Oram, Mrs. K. J. Osborne and Mrs. P. J. Powers. The public is invited.

Miss Florence Douglass of Menlo Park is included in the list of bridesmaids chosen for the wedding at Pasadena on September 7 of Miss Charlotte Holden Hall of that city and Edward Thomas Ford, Jr., of San Francisco and Montecito.

SOCIALITES FILE NOTICE

Notice of intention to marry was on file in the county clerk's office today by Christian de Guigne III, 22, of San Mateo, and Eleanor Louise Christensen, 23, of Burlingame. Both are well-known among the social set of the peninsula.

Harbor Commissioners Ask $1,500 for Year

Expenses to be incurred during the coming fiscal year by San Mateo county's three harbor commissioners will total $1500, it was disclosed today when the board of supervisors was asked, in a communication signed by Commissioner S. A. Keyston, to appropriate that amount for the coming year's activities of the commission. Decision to ask the amount was reached by the trio at their June 20 meeting, they reported.

VETERINARIAN FINED

Pleading guilty to practicing without a state license, Dr. J. G. E. terday afternoon was fined $50 on the charge by Justice McAuliffe.

S. F. Boy Visiting On Ninth Avenue Accidentally Shot

Narrowly averting serious injury, Robert Terroggiaro, 15, of 64 Geneburn way, San Francisco, was shot through the hand on Wednesday when a .22 caliber rifle he was carrying fell from his arm.

As the weapon struck the ground, it was discharged. The bullet grazed the lad's leg and went through his left hand.

Rushed to Redwood City, he was given treatment by a local doctor and returned to the home of friends he was visiting on Ninth avenue, Dumbarton Oaks, when the accident happened.

$50,000 Damages Sought for Death Of E. P. A. Father

Damages of $50,000 for the death August 30, 1934, of Anton Rodivoj, 52, of 400 Donohue street, East Palo Alto, were sought in superior court today by his widow, Kate, and her four children, Antoinette, Anna, George and Lillian.

According to their complaint, filed through the law firm of Bell & Anderson, Rodivoj was fatally injured while he was attempting to cross the Bayshore highway at Cooley avenue, in East Palo Alto.

Rea and several John Does are named as defendants in the suit.

$70,000 Relief Gain In Year Made in S.M.

BURLINGAME, July 16.—That this city has spent $70,000 more this year than last on relief work was disclosed today by City Treasurer Frank M. Bloom, who is preparing his financial report of the fiscal year ended June 30, 1935, for presentation to the council.

A total of $79,221 was spent this year, according to the report while in the previous period only $4915 was disbursed. Principal increase in the expenditures was the $58,000 for sewer work and $20,000 for public works' projects. Total disbursements were $423,000 while receipts totaled $445,000.

JUDGE HEADS ELKS

COLUMBUS, O., July 17 (AP)—Judge James T. Hallinan of the New York State Supreme Court was elected grand exalted ruler of the Elks' lodge at the 71st national annual convention here. Judge Hallinan succeeds Michael F. Shannon of Los Angeles.

Improvement Club Meeting Postponed

No meeting of the San Mateo County Federation of Improvement Clubs will be held this month, Sec. T. Louis Chess announced today. A session on the coastside had originally been planned for this evening but so many members are absent on vacation it became advisable to postpone the meeting, Chess said.

ADJOURNMENT BLOCKED

WASHINGTON, July 17 (AP)—The administration has beaten down a house rebellion against a summer session and killed an adjournment resolution which would have blocked the new deal tax bill and jeopardized other Roosevelt measures. The vote was 259 to 86.

Lavender water, bought at 12 cents a bottle, is said to have caused several men to be fined for drunkenness in an Irish police court.

Harry Miller Joins Sequoia Beauty Shop

Announcement was made today that Mr. Harry Miller, expert hair cutter and stylist from Berkeley, will be located at the Sequoia Beauty Shop permanently, beginning Monday, July 22.

Red clover would not grow in New Zealand until bumble bees were imported from England to pollinate the blossoms.

NEVERS BRINGS SUIT

Ernie Nevers, Stanford football coach and former All-American player, has brought suit in superior court here for $475.61 for damages to his machine as the result of an accident on the Bayshore highway January 23. Defendant in the action is Lydia Hopkins, peninsula socialite, with whose machine Nevers' car collided.

The Diesel oil engine has no spark plugs. The fuel is ignited by the heat from high compression.

Dipman, Paksis Denied Damages in Suit Here

Returning a verdict of "unavoidable" accident, a jury in Superior Judge Maxwell McNutt's court yesterday afternoon denied both Thomas Paksis, complainant, and Alfred C. Dipman, newspaperman and cross-complainant, damages as the result of an accident at San Carlos between machines driven by the two men.

Each had sought $15,000 in the action.

REVENUE CHIEF ANSWERS CRITICS

James Maloney Tells Of Methods Used In Cities

James H. Maloney, alcohol tax unit supervisor, today took San Mateo and Burlingame critics sharply to task for their criticism of methods of collecting liquor taxes.

Back from Los Angeles, Maloney said the chief complaint regarding the two communities, as reported by his agents, was the failure to affix stamps on legally bought liquor and to destroy the stamps when the containers are opened.

The internal revenue laws, he added, empowered him to make compromises with those technically guilty.

Maloney said he had 100 SERA workers checking retail liquor stocks throughout California and that San Mateo is the only community to protest.

2-CENT STAMP IS PURCHASED FOR $10,250

LONDON, July 17 (AP) — Century old days when New England missionaries settled in the Hawaiian islands and forged the links that eventually brought that territory into the union were recalled at Harmer's Bond street galleries here recently when $10,250 was paid for a 2-cent Hawaiian stamp with a small defect.

This stamp was one of a group of Hawaiian stamps that swelled the final day's sales of the famous Hind stamp collection by $37,500, and the Hawaiian group was locally spoken of as the Missionaries because the majority of them were found on letters from American missionaries who went to the islands early in the 19th century.

Final receipts for the collection made by the late Arthur M. Hind, American millionaire, totaled about $850,000. It required more than a year to hold the 11 auctions to dispose of the collection, said to have been one of the finest made.

Another Hawaiian stamp, identical to the one bringing the top price, but repaired at the lower left-hand corner, realized $7,500. A 5-cent type stamp, used on part of the original cover in conjunction with two 5-cent American stamps, brought $3,250.

A fine specimen of the 5-cent type, mounted on card to preserve its freshness, sold for $1,100, while a 13-cent type inscribed "H. I. & U. S.", sold for $2,100. A similar 13-cent stamp inscribed "Hawaiian Postage" brought $1,650.

FRANCHISE HITS SNAG

MANILA, July 17 (AP)—Plans for the granting by the Philippine legislature to Pan-American Airways of a franchise for a landing base and mail contract have hit a snag. Today it seemed unlikely that the bill sponsored by President Quezon and virtually all of the Philippine leaders would pass the legislature before its adjournment on Friday.

Kalgoorlie, West Australia, reported "streets of gold," when rain washed the surface from macadamized roads. The roads had been built of ironstone conglomerates from a disused mine.

Nowhere else do you get produce any more delectable than ours, truly GARDEN-FRESH, truly flavorful. . . . or at such attractive low prices. Let us prove it.

SAFEWAY
(PAY 'N TAKIT — PIGGLY WIGGLY)

Redwood City Leads In Liquor Revenue

Liquor stamp revenue amounting to $4657 will be returned by the revenue department to Redwood City for the semi-annual period ending in March, it was revealed today by the California League of Municipalities. This city leads all others on the peninsula in the amounts to be refunded.

For other San Mateo county cities the amounts were: Atherton, $25; Bayshore, $54; Belmont, $793; Burlingame, $2586; Daly City, $4291; Hillsborough, $207; Lawndale, $346; Menlo Park, $941; San Bruno, $1795; San Carlos, $601; San Mateo, $4631, and South San Francisco, $4493.

Cypress Bark Disease Fight Being Studied

Methods of combating the bark disease which is slowly destroying cypress trees in this county were being discussed today by members of the Bay Counties Tree Surgeons and Pest Control Operators following an address on the subject delivered to the group here by W. W. Wagener, U. S. forest pathologist.

He told the operators constant vigilance in checking all infected branches and having them immediately removed and treating cankers that may appear on the main stem are the only ways to save the trees.

Baled Hay, Homes Endangered By Fires

Efforts of local firefighters yesterday at 1:40 p. m. saved a number of stacks of baled hay, piled on a field at the city limits of Redwood City at the end of Redwood avenue. The hay was endangered by a grass fire which resulted in a general alarm being turned in.

Earlier, at 11:12 a. m., the department had extinguished a grass fire at the end of East Brewster street, which, had it not been caught in time, might have damaged nearby homes.

The Czechoslovak state air lines plan regular transport service between Praha and Moscow, with immediate connections with planes on the Praha-Paris route.

WRITTEN GUARANTEE AGAINST EVERYTHING

- Blowouts
- Under Inflation
- Bruises
- Cuts
- Collision
- Faulty Brakes
- Wheels Out of Line

EVERYTHING that can happen to a tire in service WITHOUT LIMIT as to number of months or miles. The strongest written guarantee ever offered!

Because you cannot buy a longer wearing first-quality tire at any price! Gruelling tests over some of the country's worst roads prove that Riversides give up to 28% MORE MILEAGE than other leading first quality tires!

Because constant tests show that the same extra quality that gives you Riversides' greater mileage gives you greater safety too! Greater protection against skidding and blowout protection!

Because Wards way of buying tires eliminates most of the service and selling expenses incurred by the manufacturer in selling the average dealer . . . while Wards selling costs are distributed over thousands of different items instead of just a few as in the case of the average dealer. Wards SAVES money both ways and passes the savings on to you in LOWER prices and EXTRA quality!

Wards Convenient Payment Terms May Be Arranged

NOTHING DOWN

no more 'til October!

PUT GAS HEATING IN YOUR HOME NOW

● There has never been a more liberal offer to the public than this off-season bargain on gas heating equipment. No cash is required as down payment—no monthly payments until after October first—three years to pay the balance plus a 10% Discount passed on to you by the manufacturers and dealers of these modern home heating appliances.

Why not act on this offer today? Get rid of your old-fashioned heating equipment and put in gas heating for its cleanliness, convenience and real comfort, during the cold weather season. Get the facts. Learn from your local gas equipment dealer or this company, the operating cost of gas equipment best suited to the heating requirements in your home. You will see why nine out of ten new homes install gas heating. Gas is not only a better fuel, but the most economical in monthly cost the year 'round.

The exceptional offer now in effect will be terminated in a short time. Will you be among thousands to take advantage of it? Investigate gas heating today—place your order—save money.*

UNION WAGE IS ORDERED ON PWA WORK

F. R. Urging Starting Of Jobs By Local Communities

WASHINGTON, July 15 (UP)—Revised regulations governing PWA projects opened the way today for payment of union wages and speeding up of spending of $900,000,000 under the $4,000,000,000 employment program.

State PWA directors "may disapprove any rate to be paid, other than a rate predetermined under law or ordinance, if it is less than the prevailing union rate," Administrator Harold L. Ickes announced.

TO EXPEDITE WORK

The wage provisions are a part of a general revision of regulations designed to expedite the PWA projects and speed up the re-employment of persons now on relief rolls, Ickes said. President Roosevelt joined in the action to speed up work.

Mr. Roosevelt said "local bodies willing to put up their share of the 55 per cent of the total cost of projects must, of course, be given first consideration" when the government distrbiutes the fund by making an outright gift of 45 per cent of the development's total.

USE DOUBLE SHIFT

Wherever practicable, it is provided, double shifts of labor shall be employed to speed the work. Prevailing wages would be paid on the basis of 130 hours a month. The new regulations provide for an examination of projects in the field, a simpler contract between the government and the applicant, and preliminary work.

Mr. Roosevelt and Ickes agreed that PWA, which recently raised the amount of its grants from 30 to the present 45 per cent, can make an advance of 15 per cent to any project after the applications have been accepted.

John Ley, 60, Former Worker In Tannery, Dies

Following a heart attack, John Ley, 60-year-old retired tannery employe, passed away suddenly in the Mission Emergency Hospital in San Francisco late Saturday. He was a native of Portola, San Mateo county, and had resided here until 14 months ago. For many years he was employed in the Frank tannery.

He is survived by three sisters, Mrs. Mary Herm of this city, Mrs. Martha Heyer of San Francisco, and Mrs. Elizabeth Fox of Hollister, and by a brother, Adolph Ley of San Francisco. He was a brother of the late Edward Ley.

Youth Who Said He Resided Here Hurt at Delano

Identity of an 18-year-old hitchhiker seriously injured in an accident near Delano was scught by authorities today in Redwood City.

The youth incurred a fractured skull Sunday when a truck in which he was riding crashed into a telephone pole. V. H. Jones, driver of the truck, told police the boy had said he was from Redwood City and was going south to see the San Diego exposition. Jones had picked up the hitchhiker in San Jose.

Nothing further was known about the injured boy, police said, and he apparently carried no marks of identification. He was still unconscious today in the Kern County Hospital, the Associated Press reported.

BLAZE BALKS FIREMEN

SAN MATEO, July 15.—While Belmont and San Mateo firemen stood helplessly by last night a shed near Bay Meadows race track was destroyed. Neither department could reach the blaze with its hose.

William Talbot Avers Marriage To Wife Invalid

Although he lived with Marjorie E. Talbot for six years, he never was legally married to her and consequently would like an annulment of the Mexican marriage which purportedly united the couple December 6, 1928, William C. Talbot cited in his newest move to avoid losing the divorce suit filed against him, on file today in superior court.

Talbot alleges that the comely Marjorie, to whom he is paying $695 a month alimony pending determination of her divorce suit, is really the legal wife of Carl Ketchum of Honolulu, whom she married in the islands June 3, 1926. Reason given is that when Mrs. Talbot divorced Ketchum November 1 that same year in Los Angeles she had been in that city only two months—30 days short of the time required for legal residence.

So if she is legally the wife of Ketchum, she can't be the wife of Talbot, the "half a millionaire" lumberman and sportsman of Hillsborough, claims.

Trial of the sensational divorce action is set for September before a judge yet to be named to sit here. Judge A. R. Cotton recently disqualified himself from sitting in the suit.

160,000 Mass On East Africa War Frontier

Negroes in U. S. Plan To Aid Ethiopia In Strife

By THE UNITED PRESS

Developments today in the Italo-Abyssinian crisis were:

ROME—Mussolini orders mobilization of two new divisions with a strength of 30,000 men, bringing the total of Italian forces in East Africa or en route to 160,000, irrespective of native troops in the colonies. The navy ordered construction to begin immediately on 10 new submarines to be completed next November. More men were called to the colors in the air and motor corps.

PARIS—Reports were current that Mussolini was leaning toward pacific settlement of the border dispute and diplomatic efforts were in progress to prevent war by sacrificing Abyssinia through a partitioning agreement. Joseph Avenol, secretary general of the League of Nations, was to confer with Premier Pierre Laval on the African question.

LONDON—The British cabinet was to hold a special meeting, at which it was believed it would consider the advisability of tripartite conference at Paris among Italy, France and Great Britain.

DJIBOUTI, French Somaliland—French colonials fraternized with Italian sailors in the East African port in a demonstration of apparent sympathy with Italian aims in Abyssinia.

NEW YORK—Black man's Harlem hastened recruiting of a "black legion" to defend Ethiopia against Italy. Patriotic exhaltation swept the largest Negro community with a fervor seldom given a white man's land.

FORT WORTH, Texas—Negro world war veterans were organizing to fight for Ethiopia if war breaks out between the ancient African monarchy and Italy.

ITALY HAS OTHER TROOPS

ROME, July 15. (IP)—Italy moved to increase its fighting strength on land, air and sea today in retaliation for "Ethiopian military preparation." Premier Mussolini called 30,000 more men to the colors and began constructing 10 new submarines.

The ministry of war moved in unison with the air and naval ministries to mobilize resources of Italy for the threatened struggle with Abyssinia.

Two new divisions of 15,000 men each were given mobilization orders, thus bringing Italy's total of combat troope either in East Africa or en route to Italian colonies there to approximately 160,000. In addition to this number, Italy has large numbers of native troops in Eritrea and Italian Somaliland which border Abyssinia on two sides.

In addition to the two divisions which border Abyssinna on two sides.

In addition to the two divisions which will sail for East Africa, two reserve divisions were ordered up to take their places in the home defense force of Italy.

The navy acted to support the army's long-awaited campaign in Africa, with the naval ministry issuing orders for construction to begin immediately on 10 submarines which will be launched in November of this year.

A Nazi leader at Koenigsberg, Germany, wants to abolish the old German custom of calling a woman by her husband's title, such as "Frau Lawyer Schmidt," and limit women's titles to those who earn them.

Budget Making Starts As Tax Valuation Increase Ordered

With the state board of equalization ordering an 85 per cent increase in valuation of San Mateo county property Monday, Controller Edward M. Stack, Executive Walter Kellogg, Assessor Dan Flynn and the supervisors prepared today to finally assemble the 1935-36 county budget.

Decision of the state to raise the ratio here from 26.92 per cent to the 50 per cent "common level valuation" to conform with valuation of public utilities came after the conference with Supervisors Witt, Francis and High, Assistant District Attorney Sullivan and Assessor Flynn.

All the local officials expressed themselves as satisfied. To the average taxpayer no change will be noticed, since the rate will be proportionately decreased. Greatest changes will be felt by veterans, who have been exempted $1,000 if their property is assessed at less than $5,000.

CLAPP SELECTION TO HEAD HOSPITAL BRINGS PROTEST

Appointment by Dr. Charles C. Gans, medical director, of E. W. Clapp of San Mateo as business manager of the Community Hospital was protested Monday by Norman Rushton of Burlingame.

Rushton declared that Clapp was "amply provided for" by a pension from his former employes, the Southern Pacific, and is not in need of employment. The protestant urged that the board request that Clapp resign the office "as a matter of decency."

Miss Sarah Fry of Menlo Park and Jack Reuter of Redwood City concurred in the protest.

Chairman Manuel Francis informed the protestants that the board had no control over the appointment and Supervisor Albert Witt, Colma, said that if it had, Clapp would not have been given the position.

Urban S. Marshall, engineer appointee, suggested to the board that PWA funds be sought in the sum of $123,000 for building of the lower end of the disputed Colma drainage creek project.

The proposal came before the board after Deputy County Engineer E. B. Bailey suggested that repairs be made on the upper half. Marshall said that this work could be done later. The board decided to consider the question at on adjourned session Wednesday.

Protest of the Central Council of Civic Clubs of San Francisco to "Plan X" for the San Francisco transit terminal was referred to the planners for a report.

Award of the laundry permit for the Community Hospital was referred to the district attorney for inquiry after a protest of alleged irregularity had been filed by Mrs. H. Hobart.

Legal difficulties to be encountered in overlapping of Menlo Park and North Fair Oak district sewers were referred to the district attorney.

Executive Walter Kellogg was instructed to go to Sacramento tomorrow to attend a supervisors' meeting of northern California representatives to protest local participation on relief projects.

W. L. Meussdorffer appeared before the board in regard to the improvement of Encinal avenue in Felton Gables. Miss Sarah Fry urged a permanent pavement. Meussdorffer was instructed to confer with the district attorney and the board agreed to take up the matter again Wednesday.

The board adjourned early to fly to Sacramento to attend equalization board hearings.

Miss Wilson Leaves On Prize Trip North

With a 10-day trip to Oregon, Washington and Canada before her, Miss Phyllis Wilson, local telephone operator, left here this Monday for the vacation journey she won when she captured first prize in the Home Owned Independent Merchants' travel contest which ended here June 22.

Miss Wilson was spending the day in San Francisco in company with 10 other girls from the southern part of the state, victors in similar contests. Tomorrow they leave for the northward trip.

TALKINGTON TRIAL VERDICT APPEALED

Slayer of Husband May Not Get New Trial After All

The second trial of Mrs. Bertha Talkington, once convicted of killing her husband, Lamar Talkington, brother of Lenz Talkington of 522 Vera street, Redwood City, will not be held until December, at least if at all, according to information received here by the Redwood City man from District Attorney F. A. Silveira of Modesto.

The official wrote Talkington that the granting of a new trial to Mrs. Talkington by the appellate court has now been appealed by the people to the supreme court, which probably won't make known its decision as to whether or not the new trial decision will stand until in September when the high tribunal meets in Los Angeles.

Lenz Talkington and Mrs. Talkington were important state witness in the first trial, held last December at Modesto, and expect to be called again if a new trial is held.

Reason for granting Bertha Talkington a new trial was that the judge had commented to the jury in an argumentative fashion.

McGrath Will Confer With Constituents

Congressman John J. McGrath, representative of this district in Washington, will meet any of his constituents who have important business to transact with him during his coming visit here, according to word received today from Victor Harding, the congressman's secretary in Washington.

McGrath will visit the Sunnyvale air base next Wednesday and will be in San Mateo on Thursday night.

'Suicide' Verdict Given in Daly City

DALY CITY, July 15. — That Augustino D'Evincenzi, 32, of San Francisco, had "died from self-inflicted gun wounds" was the verdict returned at an inquest today in Daly City. The suicide victim was discovered last week slumped against a fence in that city. According to police testimony, it appeared that D'Evincenzi had pulled the trigger four times vainly and only the fifth cartridge had exploded.

The average service station price of gasoline, as of January 1, 1935, was 14.07 cents per gallon, exclusive of tax.

William E. Parker, chief of the Monterey fire department was a member of the city's first organized force 45 years ago.
